Greetings Beloved!

Please take the time to view the attached links to the Steve Harvey Mentoring Weekend Program for young male middle school and high school students (13 years or older, 8th through 11th grade) that reside in a single female head of household. This is a great opportunity and we all know someone who can benefit from this. Students can nominate themselves or be nominated by someone else. **Completed forms must be returned by mail and received by March 27, 2009.**

A parent or guardian will accompany the winner to Little Elm, Texas the weekend of June 18-21, 2009. Travel, accommodations, and meals are included.
